

NOTICE: ESSENTIAL CONSTRUCTION EMPLOYEE
NEVADA DECLARATION OF EMERGENCY, DIRECTIVE 003/NAC414 & NEVADA EMERGENCY
REGULATION CONCERNING COVID-19 PANDEMIC DATED 20 MARCH 2020;
DECLARATION OF EMERGENCY, DIRECTIVE 010 DATED 31 MARCH 2020

April 1, 2020

Federal and Nevada State orders have recognized construction as essential, and therefore have exempted construction companies from the non-essential business closures and construction-related employees from the mobility restrictions designed to reduce the spread of the COVID-19 virus. (See United States Department of Homeland Security Critical Infrastructure Workforce Memorandum on Identification of Essential Critical Infrastructure Workers during COVID-19 Response dated 19 March 2020; Nevada Emergency Regulation Concerning COVID-19 Pandemic dated 20 March 2020; Declaration of Emergency, Directive 010 dated 31 March 2020.) Specifically, Nevada's directive and emergency regulations ordering non-essential businesses to cease operations explicitly exempt construction work as an essential work function, and Sections 4 and 5 of the Declaration of Emergency, Directive 010 dated 31 March 2020 establish that individuals may leave their residences to provide services, perform work, or obtain services or goods necessary for Essential Infrastructure operations and Essential Licensed Businesses (as defined in the March 20, 2020 Emergency Regulations). Thus, it is critical that workers are permitted to travel to and from construction sites or other locations necessary to perform work, to provide services, and to obtain services or goods necessary for construction work.

This Notice hereby certifies that _____ is an employee of _____, a construction company, is performing work, providing services, and/or obtaining services or goods designated as essential under federal and state laws, and therefore is exempt from curfews, shelter in place, stay at home, and other restrictions when traveling to and from work or other locations necessary to perform work, provide services, and/or obtain services or goods.

This individual must be allowed access and right of way.
