Nevada Heat Illness and Wildfire Smoke Updates for Employers

Join Mark Freitas, a SCATS safety specialist-trainer for nearly 10 years, to cover the most pressing safety compliance updates that will be enforced by NV OSHA as we head into summer.

Key Topics Covered:

- Current State Heat regulations
- Recent updates to OSHA's National Emphasis Program – Outdoor and Indoor Heat-Related Hazards.
- Nevada's Senate Bill (SB) 260, which took effect January 1, 2026, and mandates employers to protect workers from wildfire smoke hazards.
- Key employer obligations and compliance standards
